

DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION
NORTHERN CALIFORNIA TERMINAL RADAR APPROACH CONTROL (NCT)
11375 Douglas Road
Mather, CA 95655

ISSUED: March 15, 2005

EFFECTIVE: April 1, 2005

NORTHERN CALIFORNIA TRACON LETTER TO AIRMEN NO. 05-03

SUBJECT: San Carlos Airport (SQL) Practice Instrument Approach Availability

CANCELLATION: April 1, 2007

1. Practice approaches to San Carlos Airport via the GPS Runway 30 approach are not authorized. This procedure is not available for practice approaches due to safety issues associated with conflicting approach procedures at adjacent airports.
2. Due to the conflict with approach procedures at adjacent airports, aircraft requesting the SQL GPS RWY30 approach to SQL for other than a practice approach may experience delays.

Signed

Dawna J. Vicars
Air Traffic Manager
Northern California Terminal Radar Control Approach
